CMMS (Corridor Mobile Medical Services) is hosting this golf tournament to support the Miracle Foundation, an incredible and meaningful cause. 100% of the profits are being donated back to the Miracle Foundation!!!! www.MiracleFoundation.org

The Miracle Foundation is an Austin based non-profit on a mission to empower orphans to reach their full potential.

We've found that helping people help themselves is the most sustainable way to affect real change. That's why we focus on strengthening existing institutions and giving purposeful employment to local people in need of work. Together with our donors, we transform local orphanages into homes, train displaced women to become cherished mothers, fund scholarships for education and bring life-changing care to the world's orphans.

Our approach empowers donors, caregivers and children. It's transforming. It's measurable. It's proven.

And it works miracles.
